

ATMOSPHERE

This seminar is going to be very frank and open. It will help educate you as to the past events in the industry as well as potential upcoming events. It will address the real issues and events and it will not hide the participants in those events. It will not be mudslinging or derogatory in nature but it will not deny the events that have transpired.

Basic Requirements

- **Style of Dress**

The dress is casual and relaxed, fun and enjoyable. We will be in a classroom setting for several hours then playing laser tag and eating. Dress for comfort.

- **Cell Phones**

Please have your cell phone's off during the course of the conference until breaks.

- **Smoking**

This is a non-smoking event, there will be smoke break's every 90 minutes outside of the building.

- **Food**

Orange Juice, Coffee and Doughnuts will be available in the mornings. For more meal information throughout the seminar, please check the [agenda page](#).

- **Recording**

There will be no audio or video recording of any kind permitted by attendees of this conference. We request that you do not bring any recording product such as an iPod, tape cassette, digital recorder, or any device with audio recording capabilities.
